

COMMUNITY OPEN HOUSE

Rocky Creek Village is in the process of updating its zoning documentation to ensure the community remains in full compliance with current Hillsborough County regulations (HC/CPA 25-34 and MM 26-0216).

This process will not result in any changes to the use of the property as it exists today, and it will support the continuation of daily operations and services currently in place.

To learn more about this process and ask any questions, we invite you to attend our **Community Open House**:
